[Am]Once I thought I saw you in a [G]crowded, hazy bar,
[F]dancing on the light from star to [Em]star.[G]
[Am]Far across the moon beams, I [G]know that's who you are.
[F]I saw your brown eyes turning once to [Em]fire.[G]

[C]You [G]are [F]like a [G]hurricane: [C]there's [G]calm [F]in your [G]eye.
[C]And [G]I'm [F]getting [G]blown away.
[F]There's somewhere safer where the feelings stay.
I wanna love you but I'm getting blown [Am]away.[Am][G][F][Em][G]

[Am]I am just a dreamer, [G]but you are just a dream,
[F]you could have been anyone to [Em]me.[G]
[Am]Before that moment you touched my lips,
[G]that perfect feeling when time just slips
[F]away between us on our foggy [Em]trip.[G]

[C]You [G]are [F]like a [G]hurricane: [C]there's [G]calm [F]in your [G]eye.
[C]And [G]I'm [F]getting [G]blown away.
[F]There's somewhere safer where the feelings stay.
I wanna love you but I'm getting blown [Am]away.[Am]

[Am]You are just a dreamer, [G]and I am just a dream,
[F]you could have been anyone to [Em]me.[G]
[Am]Before that moment you touched my lips,
[G]that perfect feeling when time just slips
[F]away between us on our foggy [Em]trip.[G]

[C]You [G]are [F]like a [G]hurricane: [C]there's [G]calm [F]in your [G]eye.
[C]And [G]I'm [F]getting [G]blown away.
